2. I realize that action has already been taken to procure some of these items through [] office. However, [] specifically requested our over-all requirement be referenced at this time.

3. While it appears that this requirement along with previous requirements add up to an excessive number of vehicles, action has been taken to thoroughly screen any new requirements as well as to completely investigate utilization of those vehicles presently assigned. The moment a determination is made that a vehicle is in excess of our needs we will immediately take steps to return it.
